

Connecting Dots

(4.10.2006 - R. Lamoureux/D. Lamoureux/J. Dassatti/E. Lamoureux)

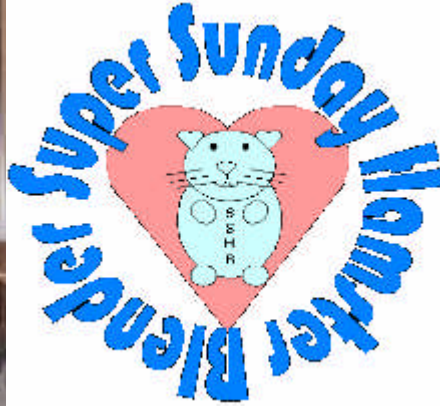

Table
Chair
Lamp
Rugs

I move through my home and don't even see
All the things I've acquired that represent me
Like the air I breathe and the water I drink
It's all so subliminal, I don't even think
Of the interconnectedness between all things

And then I realize the gestalt of it all
And how anything I can possibly say
Has all been said before
