

Ski Poles and Joysticks

(4.10.2006 - D. Lamoureux/J. Dassatti/E. Lamoureux/R. Lamoureux)

I'm climbing up
Just to go back down
If you beat me up
I will beat you down

Well, I'm jumping up
Say good-bye to the ground
I fit gets too much
I can shut you down

I'm climbing up
Just to slide back down
If you kick my ass
I'm gonna kick you around
